The City Council of the City of Lodi met at 8:00 o'clock P.M. on the date first above written, Councilmen Clark, Keagle, Spooner, Weihe and Steele (Mayor), present, none absent.

The Clerk read the resignation of Mr George S. Long as Keeper of the City Dump. Mr Long being present, stated that he could not do the work for the pay as there was little to be recovered in waste materials. He said that he would stay on the job until January 31st. At the order of the Mayor, this matter was referred to the Committee on Public Health and Safety for investigation and report.

The reports of the City Treasurer and of the City Clerk for the quarter ended December 31, 1933 were received, read and ordered filed.

Three building permits for structures to cost \$2,450.00 were granted.

The application of the California Federation of Woman's Clubs transmitted orally by Mrs Ray Moore, for permission to plant a tree in Lawrence Park in appreciation of the work of Mrs Mae Crocker was granted and the Chairman of the Park Committee instructed to select a proper and fitting location.

It appearing that the citizens of Lodi had benefitted to the extent of several thousand dollars from the efforts of California Municipal Utilities Association and that the service of this organization would benefit the City in the operation of its municipally owned enterprises, the following resolution was adopted by unanimous vote on the motion of Councilman Spooner, Councilman Weihe, second :

RESOLUTION

WHEREAS, representatives of a group of publicly-owned utilities met in San Francisco on May 19, 1933 and perfected an organization known as "CALIFORNIA MUNICIPAL UTILITIES ASSOCIATION", a copy of the constitution of which organization is filed with the City Clerk;

WHEREAS, it has become apparent that, in order to combat the dangerous anti-municipal ownership legislation which interests opposed to public ownership are constantly urging, it is necessary that the publicly owned utilities of the State of California band themselves together in an organization for their mutual protection and benefit;

NOW, THEREFORE, BE IT RESOLVED, that THE CITY OF LODI hereby accepts the invitation to become a member of the California Municipal Utilities Association;

AND, BE IT FURTHER RESOLVED, by the City Council of said City that a demand payable to the California Municipal Utilities Association in the amount of One Hundred Dollars be drawn on the General Fund on the first day of July of each year, as annual dues covering the membership in said association; provided, however, that the foregoing membership is subject to termination at the end of any fiscal year upon the giving of six months written notice to that effect addressed to the Secretary of the California Municipal Utilities Association.

Bills in the amount of \$4,773.59 as approved by the Finance Committee were allowed and ordered paid on motion of Councilman Weihe, Spooner second.

He was authorized to complete the application therefore and to advise with the County Administrator of Public Works with the understanding that the City's contribution for materials and equipment would be limited to \$2,000.00.

The Clerk reported that Mr Roswell P. Barbour had stated him that he was securing quit-claim deed to his property Chestnut Street and that, if and when the title was soared, he would be willing to quit-claim to the City, any portion of Chestnut Street that might be included in the deed.
